

Chloe Chebib

Champion of Digital Technologies and Marketing

Chloe Chebib is our Digital Technologies and Marketing Expert. Chloe is passionate in her pursuit that every retailer across the globe knows the value and impact of what we do at Mantik.

Her experience is built around forming digital presence, in-store and online, and insightful marketing to a number of verticals including SME's, Enterprises, F&B, Contemporary Fashion, Retail and Software.

Chloe graduated with a Bachelor of Fine Arts from one of the leading art schools in Canada, OCAD University. She then went on to completing her MBA in Paris, France.

Her passion comes from being able to help clients and future clients streamline their business processes for efficient and successful futures. She has experienced the growing pains of a small business and enterprise growth in her previous roles and loves to be able to provide clients with a way to alleviate those pains.
